THOMPSON STILL INDICTED. The Motion to Quash Lost by the Oklahoma Treasurer.

Guthrie, Dec. 22 -Judge J. H. Burford to-day refused to sustain the motion to quash the indictment perfect, against F. M. Thompson, territorial treasurer, ia which be is charged with receiving interest on public moneys and converting the interest to his own use. The indictment contains two

counts and the offense is a felony. The motion to quash was based on the assumption that the receiving of interest on public funds and reverting to personal uses was not a crime under the laws of Ok'aboma. Judge Burford was of the opposite opinion. Judge Frank Dale, attorney for Mr. Thompson, gave notice that he would demur to the indictment. Judge Burford replied that, of course, Judge Dale hed tie right to demur, but that he had carefully examined the irdietment and was positively of the opinios that it was a good one and

properly drawn. An effort will be made to bring the case to trial at the February term of the Logan county district court, Mr. Thompson has not yet plea led to the indie'ment

MIS DESIRE.

Had I a chance to shape my life anew. The sense to know the shoddy from the true I could not hope to gain so far a bliss As lavish fortune gave me, dear, in you

I could not hope so fair a bliss to gain-The lack whereof would leave existence vain Wherefore have I no shadow of desire To blot away my penury and pain-

My penury and pain to blot away-Ah! comrade of my spirit, who can say That he has pain whose unavailing pange So soft a hand is lifted to allay!

To whose feels divine affection's flame; Better the glow of mutual love beside The humblest hearth than loneliness in fame

ask no more than just to bide with you, To blend a little gladness with the rue, And when my clay is mingled with the

dust. To dream of our delight the ages through. -Frank Putuam in National Magazine.
